---	---

Description of Play:

Swing into Spring with this scramble. All players hit from the tee box, and then the team chooses the best of the four shots for the next shot. All team members then play the second shot from that location, and again choose the best shot. Play continues in this manner until the hole is completed. The team then records its score. (In the event of 3-person teams, each player will take turns being the 4th player, ie one player will take 2 shots each time going in order).

Putts will be considered good within 5 feet of the pin unless using a magic putt.
