---	---	---

### Description of Play:

This is a 4-person team, 2 best ball net shamble battle for victory. The team will select the drive to be used. Everyone will play their own ball from that position to complete the hole. The team selects one net score from each pairing to count for that hole. Everyone on the team must have at least 3 drives each selected during the tournament.

All putts must be completed unless using a magic putt.
